Billy Kadyamatimba

Designer & Web Developer

• about me

Proficient in HTML, CSS, and JavaScript, with strong expertise in responsive design and front-end frameworks such as React and Vue.js. I possess solid skills in UX/UI and graphic design, allowing me to create visually appealing and user-friendly web solutions. Committed to staying updated with industry trends and best practices, I excel in problem-solving and have a keen eye for detail. I aim to collaborate effectively within a dynamic team to bring innovative projects to life.
